RETREAT

Casa Lakshmi, Ibiza October 14 – 21, 2017

Enlighten Life Retreat

Live one week with Madhukar, a modern master of ancient Indian wisdom, at the Casa Lakshmi. A unique chance for enlightenment.

An exclusive retreat with Madhukar at the Casa Lakshmi, a quaint and restored in a modern way 200 year old Finca.

Ibiza is famous for its beautiful beaches, cool music and powerful energy. Less known is the wild nature in the north, with fragrant forests, steep cliffs and mystical caves. Already for the Phoenicians Ibiza was a magical island, blessed by the gods.

The Casa Lakshmi, a hideaway full of blossoms and altars, is inspired by Lakshmi, the benign Hindu goddess of wealth. Wonderfully designed rooms, Zen Lotus pond, yoga garden and a large pool – relaxation and pleasure. Massages and wellness can be booked.

Until today the colorful Hippie atmosphere still influences the fashion and the interior of the Fincas and restaurants of the sun bathed island - for instance the charm of the market Las Dalias in the picturesque San Carlos. Each corner has beautiful things to discover, the ambience of Ibiza is legendary. Traditionally we drive to the Sunset Ashram once, to celebrate the breathtaking sunset.

In October the island usually has good late summer weather and is not overcrowded. During the day one can savor the sun and the beach and swim in the clear ocean.

The retreat starts on October 14, 2017 at 9:30 pm with satsang, silence and clearing dialogs. Check-in starts at 4:30 pm.

There will be two satsangs daily with Madhukar, participation is mandatory. The starting times will be announced daily. The retreat ends on October 21, 2017 after satsang in the morning. Retreat languages are English and German.
